

### CU Safety and Soundness

The news of the Silicon Valley Bank and Signature Bank failures has rocked the financial services and tech worlds, spurring larger questions about the safety and soundness of the banking industry.

Credit union members have never lost a penny of insured savings at a federally insured credit union. Deposits are protected by the National Credit Union Share Insurance Fund and insured up to at least \$250,000 per individual depositor, the same as any other federally insured financial institution.

### Annual Meeting & Election

**The 93rd Annual Meeting of the Concho Valley Credit Union was held on Thursday, February 16, 2023** in the Banquet Room at the Pearl on the Concho Hotel at 333 Rio Concho Drive.

The meeting began at 7:00 pm. There was an introduction of the Board of Directors and the Credit Union Staff. An election for positions on the Board was held and door prizes were given away. All members in attendance also received a goody bag filled with gifts.
